And  
The Center for Outdoor Ethics

Leave No Trace  
Master Educator Course

www.campsheppard.org  
For more information

The Leave No Trace Program offers three levels of learning:  
1) The Awareness Level, for all interested parties. 2) The Trainer Level, train at the awareness level and spread the Leave No Trace message. 3) The Master Education, to provide training at all levels. Master Educators are trained to the highest level and are responsible for LNT Trainer courses in their area.
